<sup>1</sup> Consistent with the 2012-13 State budget act provision for funding in 2013-14 to replace what would have been raised from a planned tuition and fee increase in 2012-13, the University did not raise mandatory systemwide tuition and fees in 2012-13. Professional Degree Supplemental Tuition levels for 2012-13 were approved by the Regents in July 2012. Tuition includes a \$60 dollar surcharge to cover costs associated with the injunction and judgment of the *Kashmiri* lawsuit.

<sup>2</sup> Campus-based fees vary by campus; average values shown here are calculated on a weighted basis using enrollments. Campus-based fees for 2013-14 have not yet been determined; the campus-based fee figures shown here for 2013-14 assume a 5% increase from 2012-13. Campus-based fees do not include waivable health insurance fees. Waivable health insurance fees average \$1,286 for undergraduates and \$2,251 for graduates in 2012-13.

<sup>3</sup> Some degree programs charge Professional Degree Supplemental Tuition to reflect individual program needs. The range of Professional Degree Supplemental Tuition levels is shown for selected programs. Professional Degree Supplemental Tuition levels for other programs can be found at [www.ucop.edu/operating-budget/fees-and-enrollments/index.html](http://www.ucop.edu/operating-budget/fees-and-enrollments/index.html).

<sup>4</sup> Figures represent average total charges for programs charging Professional Degree Supplemental Tuition. Total charges do not include health insurance but do include mandatory charges (Tuition and the Student Services Fee), Professional Degree Supplemental Tuition, campus-based fees, and Nonresident Supplemental Tuition, disability and other fees where applicable.
